Hilbert's Hotel: A Play

Starring:

Christopher Schwanke, Daniel Chausse, Stephan Roberts, Michael Azlin, Caroline Turnage-Butterbaugh, Lisa Ewell, Lynsey Cargile

Hilbert's Hotel is very different than other hotels, for it has infinitely many rooms! Come see the very strange things that can occur when dealing with an infinite number of objects. Things like the sign in front of the hotel, which reads: "**No Vacancy – Rooms Available!**"

We will provide pizza and drinks. For those interested in membership, please bring \$10 for semester dues.

Hope to see you on Thursday!
