"I Know What You Did Last Summer"-an overview of the SMILE* program at LSU
by Dr. Sandra Spiroff, Daniel Chausse, Tanya Dewland, and W. Chapman Smith.

Abstract: Come hear about the summer SMILE program at Louisiana State University and how you can earn a stipend while learning mathematics, for example, geometric constructions or the spread of HIV. An overview of the program will be given by Dr. Spiroff, followed by the students briefly describing their projects.

* Summer Math Integrated Learning Environment

We will provide pizza and drinks as usual. Also, please bring \$10 for dues for local dues for the semester!

Hope to see you on Thursday!
